0mdshuvo0@gmail.com    +880-1913844513    PORTFOLIO  GITHUB

## Recent Projects/Worked On

**My Agreements**   **View Project**

My Agreements is a platform where users can create and manage agreements and invite other people to sign the agreements.

**CheckedIn**   **View Project**

Checked.in is an all in-one platform to digitize your check-in process. I have worked on the app/ management part of this platform.

**Rate My Physique**   **View Project**

Rate My Physique is an AI powered physique rating app. Simply upload your photo a nd it will use AI to analyze your physique and professionally rate it.

## Experience (2019-2025)

**2022 - 2025**   ***The Lab Group***

I have been working with this startup since 2019 and was involved in multiple projects. Working closely with designers and backend developers for smooth development and seamless integration.

**2020 - 2022**   ***Fiverr***

I have worked as a freelancer on Fiverr for over 2 years. In those years I have worked on various types of big and small project resulting in 100+ satisfied clients!

**2019**   ***MISC***

In my first years as a developer I have made projects for multiple small business and startups.
